PRICES REALIZED LISTS are an important feature. We make every attempt to provide one with each sale purchased. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that we have listed with a PR in front of the price for \$2.00 postpaid.

This is a valuable service that we hope will help make researching more rewarding.

PRICES REALIZED LISTS are an important feature.

We make every attempt to provide one with each sale purchased. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that we have listed with a PR in front of the price for \$2.00 postpaid.

This is a valuable service that we hope will help make researching more rewarding.

REMEMBER: Prices Realized Lists are an important feature. We make every attempt to provide one with each sale purchased. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that we have listed with a PR in front of the price for \$2.00 postpaid.

This is a valuable service that we hope will help make researching more rewarding.

Great American Sales is always buying auction catalogues. Please write and let us know what you have for sale.

Thank You,

Karl Moulton
